Michigan Legacy Art Park invites artists to submit proposals for sculpture installations within the Park located in Benzie County at Crystal Mountain. Artists are encouraged to visit the Park prior to submitting their proposals for inspiration and sculpture placement.

The jury will consider the following mission statement and goals in reviewing all proposal submissions:

MISSION STATEMENT

Michigan Legacy Art Park is a natural space that inspires artistic expression and encourages learning through outdoor sculptures that tell the stories of Michigan's history, culture and environment.

GOALS

- Present art works that integrate art and nature in an environment that demonstrate sensitivity to ecological concerns.
- Present works inspired by aspects of history as translated by contemporary artists.
- Provide a forum for visual, literary and performing arts with an emphasis on quality and diversity.
- Develop trails with major art works that incorporate visual and experiential aspects of Michigan's history from pre-historic to modern times.
- Develop public awareness and educational experiences through interactive visitor projects and artist residency programs.
- Develop a stable source of funding to create works of art and programs, and to maintain and preserve the Park.

Proposals recommended by the jury will be submitted to the Art Park Board of Directors for acceptance and funding review. Once funding has been secured, a contract will be negotiated with the artist for completion of the project.
